### About the College

Kanya Maha Vidyalaya (KMV) has been pioneering the cause of higher education of women since (1886). Committed to preserving the cultural legacy and traditional values, the college harmoniously blends tradition and modern science to promote a holistic development of young minds. The college offers courses that help to develop individual skills, knowledge and creativity for a wide choice of career opportunities. It has teaching departments in Physics, Chemistry, Mathematics, Zoology, Botany, Electronics, Computer Science, Information Technology, Micro-Biology, Bio Informatics, Environment Management, Biotechnology, Food Science, Cosmetology, Commerce, Journalism, Fine Arts, Music, Home Science and Languages. Some of these run post graduate classes and conduct original research in different topics of current interest, and guide students for Ph.D degrees. Department of Physics at KMV, in particular, has a regular intake of 20 students annually for M.Sc classes. KMV got Heritage status by HRD Ministry, Govt. of India and is covered under Star College Scheme of DBT.

### Cordial Invitation

Faculty of Sciences, Kanya Maha Vidyalaya feels privileged to invite you at DBT sponsored Faculty Development program from November 13-18, 2017 on 'Recent Developments and Techniques in Teaching and Learning in UG Programs'. The six day program will act as a significant forum for scholarly interaction among the participants and the resource persons interested in improving their teaching skills in higher education. We heartily welcome you to participate in the Program.

### Purpose of FDP

Today the profession of teaching has become quite challenging. The teachers are facing transformational changes in their traditional roles and responsibilities that will require them to engage in ongoing professional growth. The set of tasks expected of faculty is intensifying under increasing pressure to keep up with new directions in teaching and research. Thus they may need to develop skills in designing and offering new courses and to keep up with emerging specialities in their fields as well as to engage in more interdisciplinary work. Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education and to identify

the key challenges and pressures in modern teaching. This Faculty development program will focus on

- The changing teaching methods within sciences
- The changing nature of the student
- The changing nature of teaching and learning

### Who can attend

Academicians and Faculty in the area of Sciences, Applied Sciences, Management, Computer Sciences, Social Sciences and Languages.

### Duration

Timings of the program will be from 10:00 am to 4:00 pm

### Why to attend

- In-depth exposure to advanced teaching methods
- Enhancing the learning experience of students
- Get motivated to use case method of teaching in appropriate learning contexts

### Registration Fee

The fee Rs. 2500/- should be paid by demand draft payable in favour of 'Principal, Kanya Maha Vidyalaya, Jalandhar' along with the registration form latest by November 1, 2017 by all Academicians and Faculty members. All participants will be provided lunch on each of the program days.

### Resource Persons

Our Resource persons are well known renowned academicians and experts in their respective areas concerned with Sciences, Applied Sciences, Management, Computer Sciences, Social Sciences, and Languages from highly reputed institutions across the nation. They have vast experience in research and teaching.

### Certificate

Certificates will be issued after the successful completion of the program to the participants who have attended all the lectures.
