(Autonomous)**

B.Com

Bachelor of Commerce

Duration: 3 Years Level/4 Years Level

Graduation Type: Degree

B.Com degree is structured to provide the students managerial skills in disciplines related to commerce. Also, by the end of the program, students gain an in-depth knowledge on core subjects like accounting, law, statistics, finance, marketing just to name a few. A student holding B.Com Degree is well prepared to sustain as a corporate employee or as an entrepreneur. The student has adequate knowledge of adapting to the changes in the flexible business world, can focus internationally and has an in-depth understanding of the business world's market-relevant aspects. On the other hand, if the student chooses to start his/her own business he/she can run it successfully and professionally without having to pay to expert accountants or market consultants.

Programme Specific Outcomes

Towards the end of the programme, students will be able to:

PSO1: Develop an ability to effectively communicate both orally and verbally.

PSO2: Appreciate importance of working independently and in a team by learning the concept of leadership and motivation.

PSO3: Have exposure of complex commerce problems and find their solution.

PSO4: Process information by effective use of IT tools.

PSO5: Understand required mathematical, analytical and statistical tools for financial and accounting analysis.

PSO6: Develop an understanding of various commerce functions such as finance, accounting, financial analysis, project evaluation and cost accounting.

PSO7: Develop an understanding of different forms of taxes and their implications.

PSO8: Develop self- confidence and awareness of general issues prevailing in the society.
