Programme Outcomes

Students of all undergraduate general degree Programmes at the time of graduation will be able to:

PO1. take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

PO2. speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

PO3. work and communicate effectively in inter-disciplinary environment, either independently or in a team, and demonstrate leadership qualities. Elicit views of others, mediate disagreements and help reach conclusions in group settings.

PO4. demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5. recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them.

PO6. understand the issues of environmental contexts and sustainable development.

PO7. recognize the need to engage in lifelong learning through continuing education and research.
